Dear Sir/Madam

We hope this letter finds you well. On behalf of BMMIC, we are reaching out to humbly request your support and generous contribution to build a mosque in the above address for the benefit of the local community. We believe that your commitment to making a positive impact aligns perfectly with our mission and we kindly request your consideration in supporting our efforts.

Baitul Mukarram Mosque & Islamic Centre is a UK registered Charity since April 2019. We are working for the Muslim community of our surrounding area. The building where we are at the moment is a landmark position for our community. The people are living in the area and also who are visitors getting benefit from it. Alhamdulillah at this moment facilities we have 5 times prayers, 2 Jummah Jamah with the capacity of 350 people for each prayer. We are also teaching Quran learning program with correct pronunciation, for elderly people between Asor and Magrib. We have weekend Morning Quran teaching classes for young children where about 60 boys and girls learn The Holy Quran. By the help of Almighty Allah Quran memorising classes also have started and around 15 students have memorizing the holy Quran. Our intension is to build a complete Muslim Centre for the community with many other facilities. The place is rented from December 2018 with monthly rent 4000 GBP, recently Landlord intended to sell the property and willing to give free hold where we are in his first priority.

We are writing to request a monetary donation or any in-kind support that you are able to provide. Your support will directly impact our ability which will make easy to build a new Mosque for the people of local community and the surrounding area. Our time limit is to buy this place end of March 2026 and the value is 2.5 Million Pounds. We alone will not be possible to arrange such a big amount of money within this period. But if we fail to hold this place we can imagine what we will lose from the benefit of Muslim community.
